**Kyal Machine Tools Represents Mitsui Seiki in UK and Ireland**

*See Exhibit at MACH 2020 – Stand 19-400*

[FEBRUARY 4, 2020] Mitsui Seiki USA, Inc. is pleased to announce the appointment of Kyal Machine Tools Limited as its exclusive representative for machine tool sales and service in the United Kingdom and the Republic of Ireland. Both companies will exhibit together at the MACH 2020 Exhibition, April 20 – 24, in Birmingham UK.

“Kyal Machine Tools has a long history selling and servicing high end machine tools such as ours. Their capabilities and reputation among many common clients made this decision ideal to support our ongoing business in this important marketplace,” said Mr. Thomas Dolan, Vice President – Sales & Marketing, Mitsui Seiki USA. “This is a win for our customers in the region, as Kyal is a first-class operation and aligned with our own superior standards for precision machine tool building, applications engineering, and ongoing support.”

Kyal Machine Tools was established in 1985 and has been owned and managed by Mr. Simon Pollard and his wife Hilary since 2006. Said Mr. Pollard: “What makes Kyal different from other machine tool distributors in the region is that we only represent the very best machine tools in their classes that offer application-oriented, high-value

solutions for machining critical components in aerospace, oil and gas, energy, automotive, medical, and other high precision sectors. These types of machine tools offer the greatest economic advantages for our customer base. As such, Mitsui Seiki complements our offerings very well.”
